CERIS DAY OUT 2021

Let's get some CERISfaction!

19th October, Monsanto

ព្រ

FCT | CERIS E DAY OUT 2021

Let's get some **CERIS**faction!

The fifth edition of the CERIS Day Out was held at Monsanto, on October 19th, 2021

The objective of this event is:

- promote the interaction
- diminish the isolation between the center's young researchers
- enhance the team spirit
- promote activities between the members
- transfer knowledge between different areas of research
- promote co-operation
- build the CERIS identity in the IST community

Due to safety requirements all the event occurred outdoors for one day, with all type of activities

Schedule:

"On our way out!" - Gathering at IST and departure The travel - part 1 - Are we there yet! Outdoor activities - Bubble Football Outdoor activities - Bootcamp Lunch What are you up to? Tell me in 5 minutes... Outdoor activities - Paintball Outdoor activities - I'll get them all - Treasure hunting Coffee Break The travel - part 2 - See you next year guys!!!!

CERIS Day Out 2021
