CERIS: DAY OUT 2020

Keep it Smart, Never Apart

The fourth edition of the CERIS Day Out
was held at Cascais,
on October 7th, 2020

The objective of this event is:

- to promote interaction and **co-operation**
- integrate the center's young researchers
- enhance the team spirit
- promote synergies between members
- transfer knowledge between different areas of research
- build the CERIS identity in the IST community

Due to safety requirements all the event occurred outdoors for one day, with all type of activities

Schedule:

“Lets get moving!” – Gathering at IST and departure

The travel – We’re almost there!

Outdoor activities - Lets look at the sky

Outdoor activities - Robin Hood Moment

Lunch

What is everyone else doing in 5 minutes?

Outdoor activities - Could that be a unicorn?

Outdoor activities - Move or chill?

Coffee Break

The travel – part 2 – See you next year guys!!!!

The numbers!
